TEA

Tea offers maximum enjoyment, a rich flavour and a wide range of options. Whether black, oolong, green or white tea, herbal or fruit tea, an exquisite selection of classic or flavoured varieties awaits you.

We serve our tea as:

Cup of tea	5
Portion of tea	10

Black tea

Spring Darjeeling - India · FTGFOP · Spring

This incomparably delicate yet flowery top-quality tea is only harvested in spring on the southern slopes of the Himalayas.

Darjeeling Summer Gold - India · FTGFOP · Summer

An elegant tea with a delicious muscatel flavour – an absolute extra class, this summer plucking for tea connoisseurs who like it a little stronger.

Earl Grey - India · TGFOP · Autumn

High-quality black tea, composed with the citrus flavour of bergamot, fresh and aromatic.

Assam Bari - India · TFBOP · Summer

A classic among the broken teas: many golden tips, malty-spicy and lively flavour characterise this Assam tea.

English Breakfast - Ceylon · FBOP · Summer

The very best Uva Highland teas determine the high standard of this fruity, tangy blend – truly British.

Green tea

Jasmine Gold - China · Summer

Delicate jasmine blossom flavour combines harmoniously with this Chinese green tea from the summer harvest.

Greenleaf - Indien · KGFOPI · Summer

One of the rare green teas from the highlands of northern India. Noble special harvest with a delicately fruity, subtly tart flavour.

Morgentau - China · Summer

Fascinating composition with large-leaf Sencha and unusually delicate fruity flavours and blossoms. Flavoured with mango-citrus taste

Green Dragon Lung Ching - China · Spring

A special feature of this Chinese tea speciality is the flat shape of the tea leaves, which produce a mild cup with a delicate nutty roasted note and slightly sweet aroma.

Herbal and fruit tea

Rooibos Cream Orange

This is the lasting flavour of the south: seductive orange freshness and velvety vanilla notes on full-bodied rooibos.

Ayurveda Herbs & Ginger

This perfectly balanced herbal-ginger composition harmonises all the senses and provides inner warmth.

Fruity Camomile

Tart-sweet camomile, refined with aromatic orange peel.

Verveine - Lemon verbena

The fresh leaves – also known as "fragrant verbena" – produce a pleasant, light tea with a fresh character and extravagant citrus flavour.

Sweet Berries - Strawberry and Raspberry flavour

Sweet flavours of ripe berries give this tea the precious fruit taste of summer.

SNACKS

We serve these snacks from Monday to Friday between 3.00 pm and 10.00 pm and from Saturday to Sunday between 1.00 pm and 10.00 pm.
